Security for Will Ferrell at Talladega

We are made up of motivated people filled with team spirit, and proud of the reputation we have earned through our commitment to total customer satisfaction. Each member of our team strives to live up to our company motto - "Professionalism In Every Area"

We are frequently called upon to assist clients in a wide range of security areas. These areas include everything from pre-employment background investigations and workplace threats, to nightly foot patrols and special-event security. We handle each investigation and security operation in a highly professional manner, so you can be assured that your situation will be resolved successfully and confidentially.

Our goal is to provide you with a crime free working environment so your customers and employees will feel comfortable and at ease.

Having been in business for many years, we understand the intricacies of our industry, and have developed programs to meet the unique and special needs of businesses and individuals.

Marked patrol cars, to check your property...

Our job is to stop the criminals, put them in jail, sign the warrants, testify against them in court, and take them off the streets.

Metro-Security can and will go anywhere at any time for any reason to assist you with your security needs.

METRO SECURITY FORCE LLC
